This prospectus supplement is being filed to update and supplement the information contained in the prospectus dated April 18, 2023 (the "Prospectus"), with the information contained in our Current Report on Form 8-K filed with the Securities and Exchange Commission (the "SEC") on April 10, 2024 (the "Current Report"). Accordingly, we have attached the Current Report to this prospectus supplement.

The Prospectus and this prospectus supplement relate to the offer and sale by us of (i) 862,500 shares of common stock, par value \$0.0001 per share ("Common Stock"), of Nauticus Robotics, Inc. (the "Company") which were issued upon the conversion of the rights to receive one twentieth (1/20) of one share of Common Stock (the "Right Shares") in connection with the closing of the Business Combination (defined below), (2) 8,625,000 shares of Common Stock (the "Public Warrant Shares") issuable upon the exercise of 8,625,000 redeemable warrants, which are exercisable at a price of \$11.50 per share (the "Public Warrants") and (3) 7,175,000 shares of Common Stock (the "Private Warrant Shares") issuable upon the exercise of \$1.00 per Private Warrant pursuant to a subscription agreement entered into in connection with CLAQ's (defined below) initial public offering ("IPO"), which are exercisable at a price of \$11.50 per share (the "Private Warrant").

The Prospectus and this prospectus supplement also relate to the resale from time to time by the selling securityholders named in the Prospectus or their permitted transferees (the "Selling Securityholders") of (i) 4,312,500 shares of Common Stock (the "Founder Shares") that were issued to the Co- sponsors in conjunction with the IPO at a purchase price equivalent to approximately \$0.00058 per Founder Share and subsequently converted upon the closing of the Business Combination and (ii) 3,100,000 shares of Common Stock purchased by certain Selling Securityholders at a price of \$10.00 per share of Common Stock, and issued pursuant to the terms of certain subscription agreements entered into in connection with the Business Combination") by and among CleanTech Acquisition Corp. ("CleanTech" or "CLAQ"), Nauticus Robotics Holdings, Inc. (formerly known as "Houston Mechatronics, Inc."), a Texas corporation ("Nauticus Robotics Holdings"), and CleanTech Merger Sub, Inc. ("Merger Sub"), a wholly- owned subsidiary of CleanTech. Pursuant to the Merger Agreement, in connection with the consummation of the Business Combination Merger Sub merged with and into Nauticus Robotics Holdings, with Nauticus Robotics Holdings surviving the merger as a wholly owned subsidiary of the Company, and the Company was renamed "Nauticus Robotics, Inc."

Further, the Prospectus and this prospectus relate to the offer and sale by us of (i) 2,922,425 shares of Common Stock (the "SPA Warrant Shares") which have been or may be issued from time to time upon the exercise of 2,922,425 warrants that were issued to certain Selling Securityholders (the "SPA Investors") pursuant to the SPA (the "SPA Warrants") and (ii) 2,922,425 shares of Common Stock (the "Debenture Shares" and together with the SPA Warrant Shares, the "SPA Shares") issuable upon the conversion of the debentures (the "Debentures") that were purchased by certain Selling Securityholders pursuant to the SPA. Pursuant to the Securities Purchase Agreement by and among the Company, Nauticus Robotics Holdings, and the SPA Investors (the "SPA"), the SPA Investors subscribed for Debentures in an aggregate principal amount of \$36,530,320. In exchange for such subscriptions, Nauticus delivered to such Selling Securityholders (i) a Debenture with a principal amount equal to such Selling Securityholder's subscription amount and (ii) SPA Warrants.

This prospectus supplement updates and supplements the information in the Prospectus and is not complete without, any may not be delivered or utilized except in combination with, the Prospectus, including any amendments or supplements thereto. This prospectus supplement should be read in conjunction with the Prospectus and if there is any inconsistency between the information in the Prospectus and this prospectus supplement, you should rely on the information in this prospectus supplement.

Our Common Stock is listed on the Nasdaq Stock Market LLC under the symbol "KITT." On April 17, 2024, the closing price for our Common Stock was \$0.22 per share.

We are an "emerging growth company" as defined under the federal securities laws and, as such, have elected to comply with certain reduced public company reporting requirements.

Investing in our securities involves risks that are described in the "Risk Factors" section beginning on page 12 of the Prospectus. Neither the SEC nor any state securities commission has approved or disapproved of the securities to be issued under the Prospectus or determined if the Prospectus or this prospectus supplement is truthful or complete. Any representation to the contrary is a criminal offense.

# Nauticus Robotics Tests Aquanaut Mk2 Vehicle, Announces 2023 Results

**HOUSTON – April 9, 2024**. <u>Nauticus Robotics, Inc.</u> ("Nauticus" or the "Company") (NASDAQ: KITT) today announced preliminary testing results for its Aquanaut Mk2 vehicle and financial results for the quarter and year ended December 31, 2023.

"We have spent the past few months transforming Nauticus from a company with great R&D capabilities to one poised to be commercially successful," said John W. Gibson, Jr., Nauticus' CEO and President. "We successfully raised additional capital, reorganized our operations, materially reduced expected G&A costs, and initiated sea trials for our Aquanaut Mk2 vehicle in the Gulf of Mexico. These sea trials include not just depth, but maneuverability, emergency procedures, launch and recovery, and are milestone events in Nauticus' vision. Our team has successfully tested to a depth of greater than 1,200 meters. We've gone from promise to product. The next generation of subsea vehicle is now in the water."

# **Operational Highlights**

- **Product Structure**: The Company has reorganized its personnel and operations to focus on its four main products: Autonomous Solutions, Government Solutions, Olympic Arms and toolKITT software. Each of these product groups has a dedicated leader and team focused on revenue-producing opportunities.
- Aquanaut Testing: Nauticus' Aquanaut Mk2 vehicle exceeded expectations during its initial tests in the Gulf of Mexico, including launch and recovery, emergency procedures, and maneuverability. A video of part of the tests is available on the Company's YouTube channel at <u>https://youtu.be/GyPD1E-vqHA</u>.
- Facility Consolidation: The Company brought assembly and maintenance in-house, eliminating external vendors in Canada and other countries. In the first quarter of 2024, Nauticus negotiated an exit to redundant office space in Houston and continues to work on subleasing or otherwise eliminating space in other locations as well.
- **Customer Focus**: Nauticus continued engagement with its early adopter customers. Nauticus also engaged Jorge Machnizh, a seasoned sales and business development leader. Jorge's experience includes software and service sales in deepwater markets.
- **Cost Alignment**: The Company took steps to bring its G&A and other costs more closely in line with other companies of its size and operational history.
- **Defense Contracts**: Nauticus completed DIU contracts during the fourth quarter of 2023 and first quarter of 2024, and certificates of successful completion are expected.

# **Financial Results**

• **Revenue**: Nauticus reported fourth quarter revenue of \$1.1 million and full year revenue of \$6.6 million, compared to \$3.2 million and \$11.4 million for the prior-year periods.

- **Operating Expenses**: Total expenses during the fourth quarter were \$35.3 million, a \$24.9 million increase from the prioryear period. Expenses for the year were \$61.7 million, a \$31.2 million increase from 2022.
- Impairment Charges: In the fourth quarter of 2023, Nauticus reported an impairment charge for property plant and equipment of \$25.3 million compared to \$0 in 2022.
- Net Loss: For the fourth quarter, Nauticus recorded a net loss of \$39.5 million, or \$1.23 per diluted share. This compares with \$8.2 million from the same period in 2022. Full year 2023 net loss was \$50.7 million compared to \$33.2 million for full year 2022.
- Adjusted Net Loss: Nauticus reported adjusted net loss of \$8.8 million for the fourth quarter, and \$34.4 million for 2023 compared to \$5.7 million and \$15.7 million for the same period in 2022. Adjusted net loss is a non-GAAP measure which excludes the impact of certain items, as shown in the non-GAAP reconciliation table below.
- 2024 G&A Cost: Nauticus is expecting to reduce G&A costs from \$18.2 million in 2023 to \$8.3 million in 2024.

# **Balance Sheet and Liquidity**

- As of December 31, 2023, the Company had cash and cash equivalents of \$0.8 million, compared to \$17.8 million as of December 31, 2022.
- In the fourth quarter of 2023 and first quarter of 2024, the Company successfully worked with its private investors to restructure its private warrants, eliminating the overhang from the ratcheting conversion mechanism, and add additional financing of \$0.7 million.
- In Q1, the Company closed additional financing of \$13.3 million to provide liquidity needed for operations and testing.
- During the fourth quarter, the Company classified \$2.9 million as assets held for sale, offset by a liability of \$1.2 million.

# Leadership Updates

Nauticus also brought in an experienced leadership team in the fourth quarter of 2023 to guide the Company to the next stage of commercial development:

- John Gibson, an established executive and CEO with 30+ years of energy, technology and public company experience, joined as President in the fourth quarter of 2023 and was named CEO in the first quarter of 2024;
- Victoria Hay, a seasoned finance and accounting executive who has worked with Nauticus for over a year as a consultant, expanded her role in the fourth quarter of 2023 to include CFO on an interim basis;
- Nick Bigney, a legal executive with experience as general counsel of both public and private companies in the energy and technology space, joined as General Counsel in the fourth quarter of 2023.

Mr. Gibson, Mrs. Hay and Mr. Bigney join the Company's longstanding Chief Technology Officer, JD Yamokoski, to form the Company's executive team.

## **Conference Call Details**

Nauticus will host a conference call on April 10, 2024 at 10:00 a.m. Central Daylight Time (11:00 a.m. EDT) to discuss its results for the quarter and year ended December 31, 2023. To participate in the earnings conference call, participants should access the webcast at <u>https://events.q4inc.com/attendee/275183074</u>, or by dialing toll free 800-267-6316, conference ID: KITT. A link to the webcast will also be available on the Company's website (<u>https://ir.nauticusrobotics.com/</u>). Following the conclusion of the call, a recording will be available on the Company's website.

## About Nauticus Robotics

Nauticus Robotics, Inc. develops autonomous robots for the ocean industries. Autonomy requires the extensive use of sensors, artificial intelligence, and effective algorithms for perception and decision allowing the robot to adapt to changing environments. The company's business model includes using robotic systems for service, selling vehicles and components, and licensing of related software to both the commercial and defense business sectors. Nauticus has designed and is currently testing and certifying a new generation of vehicles to reduce operational cost and gather data to maintain and operate a wide variety of subsea infrastructure. Besides a standalone service offering and forward-facing products, Nauticus' approach to ocean robotics has also resulted in the development of a range of technology products for retrofit/upgrading traditional ROV operations and other third-party vehicle platforms. Nauticus' services provide customers with the necessary data collection, analytics, and subsea manipulation capabilities to support and maintain assets while reducing their operational footprint, operating cost, and greenhouse gas emissions, to improve offshore health, safety, and environmental exposure.

## Cautionary Language Regarding Forward-Looking Statements

This press release contains forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended (the "Act"), and are intended to enjoy the protection of the safe harbor for forward-looking statements provided by the Act as well as protections afforded by other federal securities laws. Such forward-looking statements include but are not limited to: the expected timing of product commercialization or new product releases; customer interest in Nauticus' products; estimated operating results and use of cash; and Nauticus' use of and needs for capital. Generally, statements that are not historical facts, including statements concerning possible or assumed future actions, business strategies, events, or results of operations, are forwardlooking statements. These statements may be preceded by, followed by, or include the words "believes," "estimates," "expects," "projects," "forecasts," "may," "will," "should," "seeks," "plans," "scheduled," "anticipates," "intends," or "continue" or similar expressions. Forward-looking statements inherently involve risks and uncertainties that may cause actual events, results, or performance to differ materially from those indicated by such statements. These forward-looking statements are based on Nauticus' management's current expectations and beliefs, as well as a number of assumptions concerning future events. There can be no assurance that the events, results, or trends identified in these forward-looking statements will occur or be achieved. Forward-looking statements speak only as of the date they are made, and Nauticus is not under any obligation and expressly disclaims any obligation, to update, alter, or otherwise revise any forward-looking statement, whether as a result of new information, future events, or otherwise, except as required by law. Readers should carefully review the statements set forth in the reports which Nauticus has filed or will file from time to time with the Securities and Exchange Commission (the "SEC") for a more complete discussion of the risks and uncertainties facing the Company and that could cause actual outcomes to be materially different from those indicated in the forward-looking statements made by the Company, in particular the sections entitled "Risk Factors" and "Cautionary Note Regarding Forward-Looking Statements" in documents filed from time to time with the SEC, including Nauticus' most recent Annual Report on Form 10-K. Should one or more of these risks, uncertainties, or other factors materialize, or should assumptions underlying the forward-looking information or statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, believed, estimated, or expected. The documents filed by Nauticus with the SEC may be obtained free of charge at the SEC's website at www.sec.gov.

# Unaudited Reconciliation of Net Loss Attributable to Common Stockholders (GAAP) to Adjusted Net Loss Attributable to Common Stockholders (NON-GAAP)

Adjusted net loss attributable to common stockholders is a non-GAAP financial measure which excludes certain items that are included in net loss attributable to common stockholders, the most directly comparable GAAP financial measure. Items excluded are those which the Company believes affect the comparability of operating results and are typically excluded from published estimates by the investment community, including items whose timing and/or amount cannot be reasonably estimated or are non-recurring. Adjusted net loss attributable to common stockholders is presented because management believes it provides useful additional information to investors for analysis of the Company's fundamental business on a recurring basis. In addition, management believes that adjusted net loss attributable to common stockholders is widely used by

Company's fundamental business on a recurring basis. In addition, management believes that adjusted net loss attributable to common stockholders is widely used by professional research analysts and others in the valuation, comparison, and investment recommendations of companies such as Nauticus. Adjusted net loss attributable to common stockholders should not be considered in isolation or as a substitute for net loss attributable to common stockholders or any other

requised net loss attributable to common stockholders should not be considered in isolation of as a substitute for net loss attributable to common stockholders of any outer measure of a company's financial performance or profitability presented in accordance with GAAP. A reconciliation of the differences between net loss attributable to common stockholders and adjusted net loss attributable to common stockholders is presented below. Because adjusted net loss attributable to common stockholders and may vary among companies, our calculation of adjusted net loss attributable to common stockholders may not be comparable to similarly titled measures of other companies.
